

From the Diocese of Wheeling-Charleston

As many of you are aware, the Diocese of Steubenville, Ohio, recently released a list of priests who have been credibly accused of sexual abuse of minors. Included in the list were the names of priests who have been stationed near, or who have celebrated liturgies and other events at parishes within the Diocese of Wheeling-Charleston, including our Catholic Schools. The Diocese encourages anyone who may be the victim of abuse by one of these priests, or any priest in the Diocese of Wheeling-Charleston, to contact your local authorities or the Diocesan Office of Safe Environment at (304) 233-0880.
